

How do I make questions on my form mandatory?

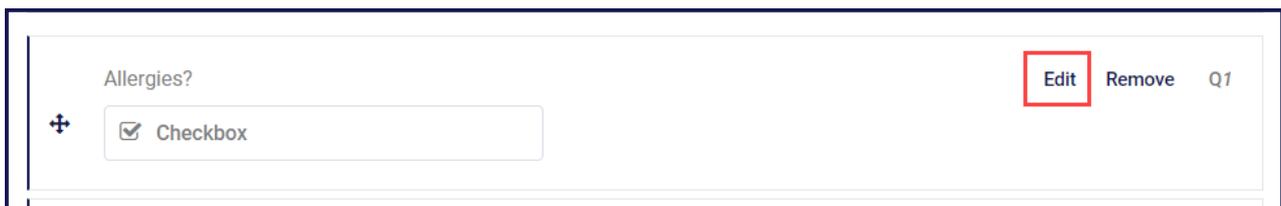

Last Modified on 07/10/2019 12:11 pm AEDT

Open the Registration form.

Select the **Questions and Layout** tab.

Click **Edit** on the question you wish to make mandatory.

NOTE: You can only edit the questions you add. If the questions are passed on from a higher level, they can't be edited.

Select the **Is Mandatory for User** box. Then click **Save**.
