

Events (Old Events)

Last Modified on 20/09/2023 4:20 pm AEST

NOTE: This add on has to be enabled for your organisation. To check if this is available for your website, check Your Website Features / GameDay Dashboard.

The Old Events tab makes use of a WordPress plugin to deliver Events. There is also an option to use our GameDay Events platform, and eCal to have event data fed to your website.

1. Under the **SECTIONS** header click on the **EVENTS** tab.

Sections

[help](#)

These sections will be used to build your home page. They can also be added to sub pages on your website.

2. If this panel is not set to show on your website yet, then make sure you **click the button to SHOW** this widget on your website and **adjust the order** of where you would like this to sit within your website.

3. You can also add a specific **background colour** for this panel or even an image.
